**Please note:** if your balance falls below the minimum opening balance, your interest rate will reduce to 0.10% AER (0.10% annual GROSS; 0.10% monthly GROSS) fixed until your balance increases to at least the minimum opening balance or more.

If you have an account that you manage online, you can find the interest rate by logging in to your Account in the secure banking area on [chartersavingsbank.co.uk](https://chartersavingsbank.co.uk).

If you're unsure of the interest rate that applies to your account or you require a copy of any of our Key Features & Summary Box documents (including the specific conditions of the accounts), please call us on 0800 032 9999 and we'll be happy to help.

### AER.

This stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. As every advertisement for a savings product which quotes an interest rate will contain an AER, you will be able to compare more easily what return you can expect from your savings over time.

### GROSS.

The interest that you earn on money in your Account before income tax is deducted.

### TAX-FREE.

The contractual rate of interest payable where interest is exempt from income tax.
